**NOTIFICATION OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS AND
PAYMENT OF FEE DEFICIENCY UNDER 37 CFR 1.28(C)**

Sir:

Please be advised that the status of the Applicant for the above reference patent application has changed from small entity to other than small entity. Please amend the records of the U.S. Patent and Trademark Office to reflect this change in status.

In conjunction with preparing the present notice, Applicants have identified certain fees that were paid claiming small entity status when a large entity status should have been claimed and a large entity fee should have been paid.

Pursuant to 37 CFR 1.28(c), the fee deficiency is detailed and broken-down as follows:

Filing date of original paper	Type of fee paid	Fee amount as large entity	Amount originally paid	Difference
08/28/2003	Basic Filing Fee for Small Entity	\$770	\$385	\$385
02/19/2004	Declaration	\$130	\$65	\$65
02/19/2004	Extension of Time Fee	\$110	\$55	\$55
		Total Deficiency Owed		\$505

At the time of claiming small entity status and making the above referenced payments, small entity status was claimed in good faith.

The Director is authorized to charge the required fees, or credit any overpayment, Takeda's Deposit Account No. **50-2256**.

Respectfully submitted,
Takeda San Diego, Inc.
